

PHASE **V**

2014 CABERNET SAUVIGNON

This strikingly classic 2014 Napa Valley Cabernet Sauvignon has intense red color and aromatics of concentrated blueberry, mulberries, dark cherry and black currants. Nuances of tobacco, oak and cedar add a delicate complexity to the nose. In the mouth, this Cabernet is juicy, with touches of vanilla and dark fruit. It is vibrant and velvety, full bodied with refined tannins, balanced acidity and a long finish. This Cabernet presents exquisitely now, or can age for years to come.
