

PHASE **V**

2018 CABERNET SAUVIGNON

Provide an artist with multiple colors and they can do beautiful things! The 2018 Cabernet Sauvignon shows the pleasure of blending. The bouquet reveals a quiet power with blackberries, blueberries, and chocolate anchored by a beautiful rich earthiness. The palate is bold and balanced, lacing fruit with hints of black licorice, crushed gravel, and baking cocoa. The tannins have density and energy in thoughtful combination, revealing elements of the full range of fruit styles grown across our phenomenal collection of vineyards.
